Nth Power Team

Proven Leadership and Experience.

David Dreessen
Principal, Nth Power

David Dreessen joined Nth Power in 1999. David's career includes seven years of experience in various areas of the energy industry as well as experience in successfully building start-up organizations.

Prior to joining Nth Power, Mr. Dreessen served in a variety of management and IT consulting roles for both the generation and retail side of the deregulated energy marketplace. After working for Accenture (Andersen Consulting), Mr. Dreessen started his own consulting practice and subsequently joined the Structure Group, a start-up consulting firm providing integrated business and technology solutions to the deregulated energy industry. Mr. Dreessen was an instrumental member in building the Structure Group from four to more than 50 people in just over a year.

Prior to consulting, Mr. Dreessen was a Naval officer and engineering program manager for four years for the Naval Nuclear Propulsion Program Headquarters, which is responsible for all aspects of the design, operation, repair and disposal of U.S. Navy nuclear propulsion plants. He had overall program responsibility for several areas supporting water chemistry in the 100-plus power plants located in submarines, surface ships and prototypes.

Mr. Dreessen holds a bachelor's degrees in chemical engineering with high honors and economics with honors from the University of California at Davis and an MBA from Haas School of Business, UC Berkeley.
