Nth Power Team

Proven Leadership and Experience.

Tim Woodward

Managing Director, Nth Power

Tim Woodward joined Nth Power in 1998 as a Managing Director.

Mr. Woodward was the lead partner on 11 investments during that time period. He has led investments in companies involved in renewable energy, demand side management, advanced metering and outsourced utility customer management. Mr. Woodward currently serves on the boards of Wellspring International, AllConnect, Comverge, H2Gen and Evergreen Solar (Nasdaq: ESLR).

Prior to joining Nth Power, Mr. Woodward spent eight years managing venture capital investments for Liberty Environmental Partners, which focused on energy, industrial and environmental technologies. During that time, he served as full-time Chairman of Monitoring Technology Corporation, a company that provides on-line condition monitoring of power and industrial equipment.

Prior to entering the venture capital business, Mr. Woodward was involved in the launch of First Source, a company providing industrial solvent recycling services. He also spent more than six years in international marketing for an industrial filtration equipment manufacturer.

Mr. Woodward received his MBA with honors from UCLA where he focused on entrepreneurial studies and strategic planning. He received his Bachelor of Science degree in resource economics from UC Berkeley.
